## Sleepy Eye Care Center

Whether you're looking for memory support, long-term care or short-term rehab, you'll find Sleepy Eye Care Center's expertly trained, compassionate staff deliver exceptional care and services in a warm, appealing place to call home. Our spiritually based philosophy and commitment to residents and their families inspire us as we respond to the changing health care needs of the Sleepy Eye community. Because Sleepy Eye Care Center is part of Sleepy Eye Senior Living, you can take comfort in knowing your needs will be met today and tomorrow through an array of thoughtfully planned living and care choices.

### Long-term Care

We create a family atmosphere so each person living here feels welcome, comfortable and valued. Featured care and services are enjoyed by all care center residents and short-term rehab guests.

#### SPECIAL FEATURES

- Individualized plans of care
- Licensed nurse on site 24 hours/day
- 24 hours/day nursing assistant staffing
- Electronic health record
- Medication ordering including communication with physician, pharmacy and family
- Coordination of lab requests, clinic appointments, hospital transfers and other professional services
- Services include: medication management; assistance with bathing, dressing and grooming; continence management; and more
- On-site physician services, lab and X-ray
- WanderGuard technology for discreet, managed-access monitoring

### Short-term Rehabilitation

Choose Sleepy Eye Care Center's specialist-led short-term rehab on your journey toward better health after illness or injury, and you'll find what seems like a challenge becomes our shared goal: attaining your highest levels of health and independence.

#### SPECIAL FEATURES

- Physical and occupational therapies, and speech and language pathology
- Post-surgical care, and orthopedic, neurologic and geriatric rehabilitation
- Registered and licensed nurses, physician/nurse practitioner team and consulting pharmacist
- Wound care and pain management
- Joint replacement therapy, and total knee/total hip replacement programs
- Dysphagia, cognitive and communication therapies
- Priority access to Sleepy Eye Senior Living long-term care and assisted living upon availability

5-star quality rating!
